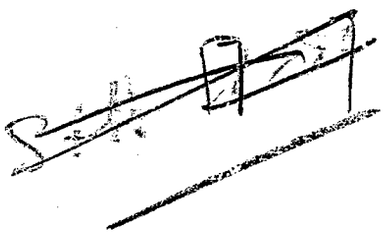
Ref. 7.17.97.



Mr. Wein proposed to retire in Dec. - but is now reconsidering that proposal. Having regard to the difficulty of replacing him, we may well try & induce him to remain - he may sanction the local allce of Rs 150 p.m., if that will induce him to stay -

The matter was on a former occasion before the Council when such an allowance was negatived. But there are very good grounds for a different decision now - I have consulted Col Robertson quite unofficially, and he thinks that the allce may undoubtedly be offered to Mr W. under present circs.

No reason certain has been recorded - yet

I do not know what has been the result of the Deputy's enquiry for another Officer -

The matter having been made the subject of a representation to discussion with the Residents whose opinion has been taken, I am of course willing to submit to that opinion -

From

To

The Secretary to Govt.
General and Revenue Depts.

Sir,

My office establishment has called my attention to the circumstance that the order of Government dated 5th November 1936, No. 52 92-5 Mis 1038, on the subject of my allowance makes no reference to the local allowance of Rs. 15/- sanctioned for the Deputy Commissioner of Kadur and certain other Officers in the Order of Government dated 2nd December 1936, No. C 722.

2 If the omission was intentional I have the honor to request that Government will be pleased to sanction the grant to me of the same local allowance as was made to my predecessors.

3. The allowance has, I understand, hitherto been given in addition to salary, on consideration of the special expenses and difficulties entailed by residing and travelling in the Wajnad. The latter expenses I have already found are likely to consideration exceed the sanctioned rates of travelling allowance.
